

God's Global Redemptive Heart

What does this heart look
like in our church?

God's Global Redemptive Heart

God's heart for the nations...

- That all would be saved!
- That all would come to repentance
- That the gospel would be preached to every nation
- That his people would care for the needs of others

God's Global Redemptive Heart

Why should we participate in a global mission?

- Obedience... Go make disciples of ALL nations... (Matt 28)
- Life... When we think of others before ourselves, God fills us with vibrant life
- Duplicate... We want to duplicate our faith in others and we want to duplicate the heart of God (the global redemptive heart!)

How do we choose where to get involved?

- Overwhelming need causes paralysis
- Doing a few things well for greater impact
 - Concentrated generosity, prayer & presence can make a difference!
- Learning to discern the God things from the good things
